

Code of Practise

We at The Darnley Lodge Hotel have a duty to the health and safety of our staff, suppliers and valued customers.

We have implemented the recommended HSE guidelines and measures in response to Covid-19 throughout our hotel.

These measures are in place to alleviate any potential risks and we would appreciate your co-operation.

See below a summary of the measures introduced

- We have provided hand sanitizing stations throughout the hotel.
- Social distance markers are in place throughout the common areas of the hotel.
- HSE approved signage regarding Covid-19 is in place throughout.
- All common touch points including door handles, stair banisters, chairs, tables are being cleaned and disinfected multiple times throughout the day.
- All doors where possible shall be left open to ensure fresh air can circulate throughout the building.
- Correct social distancing will be in place throughout the restaurant.
- Protective screens have been installed in various places throughout the hotel.
- We shall be operating a one-way system throughout our Restaurant and Carvery Room.
- We will serve all food and beverage respecting strict food safety procedures
- We have provided our entire staff with Covid-19 training to ensure a comprehensive understanding of the safety measures.

We look forward to welcoming you back to a safe environment, we are committed to ensuring the happiness and wellbeing of all our customers. We thank you in advance for your cooperation.
